

Shrewsbury URC Carbon Weight Watchers Notes on Recycling

The first thing to say about recycling is that, whilst it is really important, it's quite low down on the waste hierarchy and we should be prioritising reduce/ reuse/repair so that we have less to recycle. However, some degree of recycling will always be needed.

Recycling at Shrewsbury URC:

Information about recycling at church can be found on the Shrewsbury URC website Eco page:

<https://www.shrewsburyunitedreformedchurch.com/eco>

(click the "view" button on each picture for more information about what exactly can be recycled at church).

Alternatively, if you're a member of the church, contact Heather Treweeke or Marion for electronic or hard copies of same. If you're not a member then please contact the office via the website above.

In brief (without the detail) the following can currently be recycled at SURC:

<ul style="list-style-type: none"> ➤ Biscuit & Cake Wrappers ➤ Crisp & Nut Packets ➤ Cheese Wrappers ➤ Toothpaste Tubes and Packaging ➤ Personal Care Items 	}	<p>These can all be recycled using the wheelie bins outside the office. Please check the detailed list on the website for what is and isn't accepted.</p>
